Dear Sirs,

**Re: Mr. Panayote Dimitras**

We are writing to you on behalf of the International Association of Jewish Lawyers and Jurists ("the Association"), an Association that was founded in 1969 by the Deputy President of the Israel Supreme Court, the late Justice Haim Cohn, and by Nobel laureate, Prof. René Cassin that strives to combat Anti-Semitism, racism, Holocaust denial, terror, and unacceptable discrimination against Israel and the Jewish people.

It was brought to our attention that, Mr. Dimitras is accused of having knowingly committed perjury and made a false statement when he was questioned as a witness before the First Chamber of the Five Members Appeals Court of Athens on January 23, 2009, during a hearing of a case against Mr. Konstantinos Plevris, who then stood accused of violating articles 1 paragraphs 1 and 2 of the Greek Anti-Racism Law 927/1979.

<sup>1</sup> Especially due to his involvement in the trial of Mr. Konstantinos Plevris who published the book, *The Jews – The Whole Truth*, which, for the most part, is an incitement to racism against the Jewish people.

individual who is so dedicated to the struggle for human rights, in particular the rights of minorities in Greece.

Today, and due to the new alleged allegations against Mr. Dimitras, we call on you, Mr. Prime Minister and distinguished representatives of the government, to use your every effort to ensure that:

- a. Any kind of harassment and the proceedings instituted against Mr. Dimitras be withdrawn;
- b. All human rights defenders in Greece are able to carry out their legitimate activities without any hindrance and fear of reprisals;
- c. The provisions of the UN Declaration on Human Rights Defenders, adopted by the General Assembly of the United Nations on December 9, 1998, especially: (1) Article 1, which states that everyone has the right, individually and in association with others, to promote and to strive for the protection and realisation of human rights and fundamental freedoms at the national and international levels are being conformed; and (2) comply with Article 12, which provides that the State shall take all necessary measures to ensure the protection by the competent authorities of everyone, individually and in association with others, against any violence, threats, retaliation, de facto or de jure adverse discrimination, pressure or any other arbitrary action as a consequence of his or her legitimate exercise of his or her rights.
- d. Respect for human rights and fundamental freedoms in accordance with international human rights standards and international instruments ratified by Greece.

Sincerely,

Irit Kohn, Adv.  
President
