THE INTERNATIONAL ASSOCIATION OF JEWISH LAWYERS AND JURISTS

September 20, 2010

The Honorable Hillary Rodman Clinton  
Secretary of State  
Washington DC  
USA

Dear Madam Secretary,

I am approaching you on behalf of the International Association of Jewish Lawyers and Jurists. We are a UN accredited NGO founded by the late Nobel Prize Laureate René Cassin of France, Justice Haim Cohen of Israel and Justice Arthur Goldberg of the United States.

We have learned with dismay that the United States has permitted the entry into the United States of President Ahmadinejad of Iran in order to attend the current special UN Assembly.

President Ahmadinejad is on record in denying the Holocaust and his uses of phrases such as "a black and filthy microbe called the Zionist regime" and his calls for the destruction of the State of Israel are a clear call for racial incitement and genocide. In the past he has used attendance at the UN as an opportunity to publicize his call for racial hatred.

We call upon you, at this late stage, to restrict his freedom of movement to the purposes of his appearance at the United Nations (within its borders) so as to deny him the opportunity of spreading his hateful message.

Respectfully,

Alex Hertman, Adv.  
President
