

Democratic and Legal Norms in the Age of Terror –
The Conference Resolutions

- The International Association of Jewish Lawyers and Jurists (“**IAJLJ**”) at its’ London Conference – “*Democratic and Legal Norms in the Age of Terror*”, 30 June-4July, 2010, calls upon the government and legislators of democratic countries to prevent the abuse of universal jurisdiction for promoting political, rather than human rights causes.
- The IAJLJ calls upon all democratic states to use all existing international legal procedures against Mahmud AHMADINIJAD and other Iranian officials with regard to their incitement to genocide.
